

Buy America Act, ARRA and Small Business Certification

This Certifies that **Griswold Water Systems (GWS)**, qualifies as a Small Business Manufacturer of less than 500 employees total per US Small Business Administration definitions.

Griswold Water Systems is a manufacturer of **Domestic end products** as defined by 48 CFR Part 25.003 in that *“the cost of its components manufactured in the United States exceeds 50 percent of the cost of all of its components.”*

Griswold Water Systems manufactured products also are certified to meet the requirements of **“U.S.-made end product”** as defined by 48 CFR Part 25.003 in that they are *“manufactured in the United States or that is substantially transformed in the United States into a new and different article of commerce with a name, character, or use distinct from that of the article or articles from which it was transformed.”*

We authorize Griswold Water Systems Representatives to provide a copy of this Certification to Engineers, Contractors and other interested parties as proper notice that any equipment manufactured by GWS that is a part of the Representatives’ overall equipment package or offering is in full compliance with the Buy America requirements of the American Recovery and Reinvestment Act of 2009.

Sincerely,

Richard Escue,
Director of Engineering & Sales Services
Griswold Water Systems
